

A New Beginning

SUNRISE OVER SALT LAKE CITY UTAH. THE LAST TIME I WAS HERE (2004) I WAS DISCHARGED FROM THE AIR FORCE, ARRESTED THE SAME DAY, AND RUNNING FROM THE LORD ALL WHILE MY MOM WAS PASSING AWAY FROM CANCER. HE IS SO FAITHFUL TO GIVE US A NEW BEGINNING AS WE FOLLOW HIM.

We so look forward to returning to Iowa to start a new endeavor. It is hard to believe that 6 years have passed since we set out with nothing more than a dream and mustard seed faith that God would carry us through. Looking back we almost laugh because Daniel had not even been accepted to Moody yet when we moved to Spokane. Yet, here we are 4 weeks from finishing school, only approximately \$2000 owed out of a \$90,000 education and only God can be praised for this being possible (the remainder is more than estimated in January due to fuel

costs and Instrument training taking more flight hours than Daniel anticipated). Now we are looking at a similar story unfolding in front of us. We will be making a 1600 mile move, starting a new ministry, and trusting that God will provide as we seek to honor Him with our lives. Paraclete Aviation will exist to bring glory to God and see the lives of young adults transformed by the Gospel of Jesus Christ. We hope He will begin stirring up your hearts to join us in this adventure, because it will not be possible without a team working together to bring in a harvest. Our goal is to be settled into our home at the end of June and start CFI training in the beginning of July. If Daniel can be finished with this training (it takes about a month if fully financed) before school starts, it will be a key step in allowing us to minister through aviation in the schools. We are currently looking into teaching an aviation curriculum in the schools as one of our options. This is being done successfully in various parts of the country by other Christian flight instructors. We need wisdom from the Lord to know if this is His desire for our particular ministry.

Calling All Saints

If you are gifted in the area of helps, computer tech, accounting, administration, high school ministry, intercessory prayer, or any other area you feel would benefit us, please do not hesitate to contact us. We can put your service to good use.

Maybe you're a visionary like Daniel and can see yourself flying one day as part of your ministry. Maybe you have an airplane that you don't use very often. 3 John says the saints helped support men in ministry and by that be-

came "fellow workers with the truth". You are the most important part of our ministry. We are so excited to be partnering with every person that has dedicated time, money, prayers etc. to further this work. We praise God for you!

Unrighteous conduct is born of prayerlessness; the two go hand in hand. Prayer and sinning cannot keep company with each other. One or the other must of necessity stop. Get men to pray, and they will quit sinning.

Another God Story

Remember Sister Abeyta, the Mormon temple girl, who got to hear the Gospel from us as we visited the Salt Lake City Temple? Please continue to pray for her salvation as she was genuinely interested in hearing us proclaim truth. Here is another great story...

Awhile back at Wal-mart we were doing some shopping. It was late and we were tired. We were in the checkout waiting behind a young woman, maybe 23, who was paying for her stuff. She had her hair dyed black, a bunch of piercings and a few tattoos. She seemed to be paying with a bunch of state assistance checks and it was taking A LOT of time. But instead of being annoyed as would have been the usual case, Daniel began to feel compassion for her. He wasn't sure what exactly God wanted him to do so he began to question God. He felt the need to share God's love with her but had no idea how. Being ever timid he began to convince himself that maybe he was just hearing things. So he asked God for some type of confirmation that He wanted him to speak with her. He looked up and high up on the wall was a picture of a wheat field and next to that a pair of hands with grain in them being poured out. He almost laughed as he remembered Jesus words to "look up and see the fields white for harvest". By this time the girl was walking outside and Daniel had to run after her. It was dark outside and he had crazy thoughts running through his head like "this girl is gonna think I'm stalking her" but he put aside his fear and called out to her. She stopped and looked at him. He was unsure of what to say so he just began to speak "I don't know what your going through right now, but God does and He sees your pain and He wants you to know that He has noticed and that he loves you." She paused for a second and then thanked him and said that it was exactly what she needed to hear.

We have never seen her again but we believe in God's faithfulness and we are sure that He will pursue her until she is one day in eternity with us telling of the greatness of God.

A Miracle God Story...

Dawn has been going to the same nurse practitioner for each pregnancy and has developed a wonderful relationship with her. She has become very dear to our family and Dawn has used any opportunity she can to minister to her. Her son has cerebral palsy and is unable to walk. His brain treats his legs as one unit so he is unable to walk. The past several months have been hard on their family as he has gone through numerous surgeries to help him, but it was never thought that he would be able to walk again, it was just to bring him more comfort. Dawn had been praying for complete healing for him and for God to really show Himself to them. He recently had some tests done and the doctor said his brain looks completely different and it does not even look like it's from the same child. His brain can now distinguish his legs and they believe that he will be able to walk with proper training. He just has to start from the very beginning with all his motor skills. Praise God, He does all things well!

Please pray for this family's salvation. Pray for Dawn as she only has a few more visits with her nurse to be able to share the Good News with her.
